HOFSTETTNER KÜBELBIER

AUSTRIAN KÜBELBIER

0,2L €2,90 / 0,4L €3.80

Hofstettner brewers have always maintained that the freshest beer comes directly from the tank. As the 500-year-old tradition goes, on special occasions brewery workers would fill buckets (Kübel) with beer directly from the fermentation tanks and hence ensuring the flavourful protein and yeast remained. This extremely fresh unfiltered beer is fuller and more aromatic because none of the proteins, yeast or hop essences have been filtered out. This centuries-old tradition has been brought back to life by the Hofstettner brewery in this wonderful Austrian beer!
